CONFIRMATION

This is to certify that the Carl Zeiss MicroImaging GmbH has agreed to grant CoolLED LTD a non-exclusive license for manufacturing and selling certain defined products which fall under any valid claim from the United States patent US 6,154,282 and the Canadian patent CA 2,280,398.

Customers from CoolLED are free to sell the licensed Products, for which CoolLED has paid the Licence to ZEISS, to third parties without any additional licence payment.

Such products are for instance the pE-1, the pE-2 and the pE-100 or comparable products as light sources for combination to microscopes well as products, designed for integration into automated microscope systems such as but not limited to image readers.
