

Win £100 donation to COVID-19 Solidarity Response Fund

If you use a CoolLED Illumination System and want to tell the world about your research, you could win £100 for the COVID-19 Solidarity Response Fund by sending us an application note or video. Be one of the first 5 to submit your entry and we'll donate on your behalf.

How do I enter?

Create an application note: ~500 words with three images (or a video of your samples) covering the following points:

- Your research topic and why it's important to you, society and the world
- What you did and how your CoolLED Illumination System helped you
- What you achieved
- The conclusion and impact of your studies

Submit this to Marketing@CoolLED.com along with a few words about yourself.

The closing date is 31st May 2020.

How do I win?

We're looking for inspirational science with a splash of creativity, backed by passionate scientists and a CoolLED Illumination System. Even if you don't hit the first 5, we'd still love to help promote your research and share the note or video on our website and social media.

We'll announce the winners on 15th June 2020.

Good luck!
