

## Declaration of Conformity to Restriction of Hazardous Substances (RoHS)

### UK RoHS III

Based on information obtained from our component suppliers, this document certifies that all products manufactured and supplied by CoolLED Ltd are in compliance with Directive EU 2015/863 of the European Parliament and of the Council of 31 March 2015 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (also known as "RoHS").

### China RoHS II

China RoHS II was issued on January 6, 2016 and has been formally implemented on July 1, 2016. Based on information obtained from our component suppliers, this document certifies that all products manufactured and supplied by CoolLED Ltd are in compliance with SJ/T 11364-2014 (Mark requirements for restriction of Hazardous Substances in electrical and electronic products) and GB/T 26572-2011 (Limitation requirements for electrical and electronic products restricted substances).

These declarations are correct to the best of CoolLED Ltd knowledge, information, and belief at the date of its release.
